INNOVATIONS

UniFi offers alternative, innovative products and services when a conventional completion bond is not needed:

❖ SIRtiFi

- ❖ Only losses exceeding a certain amount (the self-insured retention or SIR) are covered by a SIRtiFi bond
- ❖ Premiums may be considerably less than for an equivalent conventional completion bond.

❖ FortiFi

- ❖ Producer self-insures completion and delivery
- ❖ UniFi performs advisory services only
- ❖ Flexible scope and duration of UniFi's services
- ❖ Pay only for what you ask for

❖ RectiFi

- ❖ Unbonded projects encountering significant complications, or setbacks
- ❖ UniFi troubleshoots on-going difficulties and offers practical, affordable, and immediate solutions
- ❖ UniFi may be engaged to fix the problems it identifies
